

# Healthy Living Consortium

*Helping schools meet the new State Health Standards for Kansas*

The Healthy Living Curriculum was revised in 2006 to align with the new State Health Standards for Kansas schools and the National Health Standards. The curriculum contains activities from each of the ten content areas of health:

- Community Health
- Consumer Health
- Environmental Health
- Family Life and Sexuality
- Injury Prevention and Safety
- Mental and Emotional Health
- Nutrition
- Personal Health
- Prevention and Control of Disease
- Substance Use, Misuse, Abuse and Addiction

## Services offered through the consortium will include:

- \*Grade level Healthy Living Curriculum Kindergarten through 12th grade
- \*Healthy Living Professional Development Library including videos and books
- \*Workshops on topics related to health and wellness
- \*Intranet-based website to access Healthy Living Curriculum and Resources

*Healthy Living Consortium annual fee \$400*
