

Healthy Living Consortium 2011-2012

The Healthy Living Consortium helps schools build wellness plans, engage families, kids, and communities, and mobilizes resources to develop lifelong healthy habits for a future generation. The Healthy Living Curriculum aligns with the State Health Standards for Kansas schools and the National Health Standards.

Greenbush Healthy Living website has a new LOOK!

Go to www.gbhealthyliving.com to see for yourself!

Check out...

- ✓ The Monthly Nutrition Newsletter tab at the top of the page each month for monthly health and wellness newsletters that can be downloaded to share with teachers and parents.
- ✓ The individual sections with information and activities specifically targeted towards School Districts, Teachers, Parents, and Students.
- ✓ The section that highlights Upcoming Grant Opportunities.
- ✓ The Curriculum section. Click on Login to see K-12 curriculum and activities.

Healthy Living Consortium Annual Fee is \$ 250
